

Mirasol Resources Invitation to the Vancouver Resource Investment Conference

January 16, 2013

Mirasol Resources Ltd. invites you to visit the Company's booth at the Vancouver Resource Investment Conference on January 20th and 21st, 2013. If you are attending the conference stop by Booth # 833 at the Vancouver Convention Centre — West to hear about the Company's exciting exploration activities in Chile and Argentina. Updates will be provided on work at Claudia and Virginia Projects in Argentina, and the generative gold program in Chile. Mirasol's President, Mary Little, will be available to discuss Mirasol's projects, results and corporate strategy with attendees.

The Vancouver Resource Investment Conference is being held at the Vancouver Convention Centre — West located at 1055 Canada Place in downtown Vancouver. By registering on line early admission is free of charge. Please [click here](#) for additional information on participants and speakers.

Visit us at Booth # 833. We look forward to seeing you!
