

Mirasol Resources Invitation to the 2010 Prospectors and Developers Conference

March 3, 2010

Mirasol Resources Ltd. invites you to visit the Company's Booth # 2114 at the 2010 Prospectors and Developers Conference in Toronto March 7 through 10, 2010. If you are attending the conference stop by to hear about the Company's exciting exploration activities in Patagonia, Argentina and drilling success at the new Joaquin Project silver-gold discovery. Mirasol recently announced a new silver discovery at the Virginia Vein Zone. Mirasol's Exploration Management Team will be available to discuss Mirasol's projects, results and corporate strategy with attendees.

The PDAC is being held at the Metro Toronto Convention Centre – South Building. Complimentary registration to the Investors Exchange is available by [clicking here](#).

Visit us at Booth # 2114. We look forward to seeing you!

Mary Little, President
Stephen Nano, Vice President Exploration
Paul Lhotka, Principal Geologist
