Mirasol Announces Management Changes

VANCOUVER, BC, May 2, 2022 — Mirasol Resources Ltd. (TSX-V: **MRZ**) (OTCPK: **MRZLF**) (the “**Company**” or “**Mirasol**”) is pleased to announce the appointment today of Troy Shultz as Vice President Investor Relations to support the growth of the Company. Mr. Shultz has more than 15 years of investor relations experience in the mining industry and last held the position of Director, Investor Relations and Corporate Communications at Pretium Resources Inc. which was recently acquired by Newcrest Mining. Mr. Shultz graduated from the University of Saskatchewan with an MBA.

Mirasol’s President Tim Heenan commented: “We are excited to welcome Troy to Mirasol. His knowledge and experience will be instrumental in improving the understanding and appreciation of our extraordinary portfolio of exploration projects in Chile and Argentina.”

Mirasol also announces the resignation of Jonathan Rosset, Vice President Corporate Development to pursue other opportunities. Mr. Heenan stated: “On behalf of the board of directors, I would like to thank Jonathan for his work commitment and his many valued contributions to Mirasol. We wish him well in his future endeavours.”

Mr. Shultz has been granted 200,000 stock options exercisable at \$0.80 per share for a period of 5 years subject to vesting over one year.

About Mirasol Resources Ltd.

Mirasol is a well-funded exploration company focused in Chile and Argentina. Mirasol has seven partner-funded projects, with Newcrest Mining Ltd (Chile), First Quantum Minerals (Chile), Mine Discovery Fund (Chile), Minería Activa (Chile), Silver Sands Resources (Argentina), Patagonia Gold (Argentina) and Golden Arrow (Argentina). Mirasol is currently self-funding exploration at Sobek (Chile), Inca Gold (Chile) and at a number of early-stage prospects.

Forward Looking Statements: The information in this news release contains forward looking statements that are subject to a number of known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in our forward-looking statements. Factors that could cause such differences include: changes in world commodity markets, equity markets, costs and supply of materials relevant to the mining industry, change in government and changes to regulations affecting the mining industry and to policies linked to pandemics, social and environmental related matters. Forward-looking statements in this release include statements regarding future exploration programs, operation plans, geological interpretations, mineral tenure issues and mineral recovery processes. Although we believe the expectations reflected in our forward-looking statements are reasonable, results may vary, and we cannot guarantee future results, levels of activity, performance or achievements. Mirasol disclaims any obligations to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as may be required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
