Mirasol Grants Options

VANCOUVER, BC, September 12, 2017 — Mirasol Resources Ltd. (TSX-V: MRZ, OTCPK: MRZLF) (the “Company” or “Mirasol”) announced the grant of 385,000 incentive stock options under its incentive stock option plan to certain officers, employees and consultants. All of the options are exercisable at $1.80 per share, with 235,000 options being exercisable for a period of three years from the date of grant, and 150,000 options, which are subject to certain vesting restrictions, being exercisable for a period of four years from the date of grant.

Mirasol is a premier project generation company that is focused on the discovery and development of profitable precious metal and copper deposits, operating via the joint venture business model. Strategic joint ventures with precious metal producers have enabled Mirasol to maintain a tight share structure while advancing its priority projects that are focused in high-potential regions in Chile and Argentina. Mirasol employs an integrated generative and on-ground exploration approach, combining leading-edge technologies and experienced exploration geoscientists to maximize the potential for discovery. Mirasol is in a strong financial position and has a significant portfolio of exploration projects located within the Tertiary Age Mineral belts of Chile and the Jurassic age Au+Ag district of Santa Cruz Province Argentina.
