About The Documentary Channel:

“Documentary is a digital television station devoted to showing the best documentaries from Canada and around the world. With its special emphasis on feature length films, watching Documentary is like having a cinema in your own living room, showing award winning films twenty-four hours a day, seven days a week.”

About Mirasol Resources:

Mirasol is focused on the discovery, exploration and acquisition of high-potential precious metals deposits in the Americas, utilizing leading edge technology for strategic advantage. Mirasol currently holds 100% of the rights of eight active exploration properties and twelve early-stage precious metals prospects in Santa Cruz Province, in the Patagonian region of southern Argentina, identified through the Company's proprietary exploration. At the Joaquin silver-gold project, exploration is being funded and operated by Mirasol's joint venture partner Coeur d'Alene Mines. In addition, Mirasol holds 100% interest in the Virginia silver vein discovery in Argentina and the Rubi copper-gold porphyry target, strategically located in the El Salvador copper mining district, northern Chile. Mirasol operates through subsidiary companies in Argentina and Chile and is engaged in generative exploration in high-potential regions elsewhere in the Americas.
